## **ASSISTANT DIRECTOR'S REPORT**

Despite cold temperatures, the first Maple Sugaring Open House at Montour Preserve on February 28 was a success. An estimated 250 people attended during the four hours of program and demonstrations. School groups during the week did not fare as well with the weather. Many of this past week's schools were rescheduled for next week or the week after. The volunteers have been wonderful in helping clean and set up the Sugar Shack, tap trees and run the outdoor demonstrations. Danville News, The Daily Item, the Webb Weekly, WNEP and SECV8 News all did stories on this year's maple sugaring.
