General Terms and Conditions

Reservations may be made for either a single day/weekend special event or for a team season. All individuals or organizations reserving facilities at the East Branch Recreation Area, whether for a single day/weekend or a full season, shall be required to abide by the following terms and conditions:

Security Deposit

Individuals or organizations wishing to reserve the use of one or more of the athletic fields at the East Branch Recreation Area shall be required to provide a security deposit by cashier's check or personal check in the amount of \$250, payable to 'MARC', before beginning use of the field(s). This security deposit shall be held by MARC until the reserved use has ended and MARC has inspected the field(s) for damages. Damages may include, but are not limited to: burns, ruts, destroyed turf, holes and excessive trash. If no damages are found, the deposit shall be refunded in full within ten (10) business days. If damages are found, MARC will offer the applicant the opportunity to repair the damages to MARC's satisfaction. If the applicant disagrees with MARC's determination of damages, a third party contractor, recommended by PPL Generation, LLC and unaffiliated with either MARC or the applicant, shall be requested to provide a written estimate of the damage repair cost. If the applicant fails to repair the damages, MARC shall use some or all of the security deposit to repair the damages and reimburse MARC at a rate of \$35/hour for any time spent on the repairs. Any remaining funds from the security deposit shall then be returned to the applicant. If repair costs exceed \$250, the applicant agrees to pay any additional amounts required to complete the repairs.
